

Navigators and General Insurance Mirror 50th Birthday Celebration Weekend Northampton Sailing Club 13th and 14th July 2013

The Mirror class is hosting this fantastic event to celebrate the heritage of the Mirror over the past 50 years and looking forward to the future. Those involved with the boat at every level will know of its pedigree versatility and perhaps most importantly the fun it has given many sailors of all ages. The focus of our 50th year is to share the boats charisma with a wider audience and to demonstrate that the Mirror remains relevant to the development of sailing and racing and life skills.

Most of our squad sailors will be enjoying the celebrations and they are a tremendous example of what excellent sailors the Mirror can produce. They are extremely passionate about their boats and will be excited to demonstrate their sailing skills, and I'm sure their enthusiasm will be infectious.

We are looking forward to welcoming new faces into the Mirror family, with the fun starting at 12pm on Saturday. There will be a range of water based activities for racers, cruisers and those new to sailing. Additionally there will be entertainment on shore throughout the weekend including a bouncy castle and Elaine's legendary galley, which will be open all weekend serving meals and snacks.

Camping is available on site. Please email to book a space mirrorsailinguk@yahoo.co.uk

Sorry no dogs on site.
