

Proposal to change The International Mirror Class Rules of Measurement, Version 15.01 as follows:

Change Rule 7.4 Headsail and permit the option of a larger headsail and add Rule 7.4.4 as follows:

7.4.4 DIMENSIONS

	Minimum	Maximum
Luff length	-	2800mm
Leech length	-	27000mm
Foot length	-	1750mm
Foot median: The <i>foot median</i> shall be not more than 50mm plus half the sum of the <i>leech length</i> and 2800mm		
Top width	-	35mm
Window dimensions in any direction	-	460mm
Window to sail edge	125m	-

Proposed

Date

Seconded

Date

Reason

To provide better boat speeds on all points of sailing, improve pointing and up wind progress while ensuring that existing spinnaker option continues to work normally, improve balance of rig and sail plan with hull and do so while maintaining the safe nature of the Mirror dinghy.
